### Consideraciones

### Leer antes de utilizar

- Piensa en cómo organizar la información, te ayudará mucho a la hora de pasar de una resolución a otra.
- Las imágenes pueden darte medidas que te falten, pero hazlo con cabeza.
- Los textos pueden ser inventados, siempre que ocupen una longitud similar a los del ejemplo.
- Si falta alguna imagen, cámbiala.
- El nombre del periódico va en la propia fuente.
- En caso de duda, se resolutivo. No preguntes si no es realmente necesario.
